I Really Got The Energy To Put The Stage Upside Down  
When I Am Standing On It  
Mud Attached To Me But Scrubbing On It  
A Lot Of You Not Familiar, Like To Know Us  
Wanna Play It On Our Level It's Impossible  
Ever Really Wanted To Get Above Us

I'm acting Like  
Maybe You're Lacking It All Even a Rat in a Lab Had A Purpose  
You Bladder A Lot and A Lot More That's All  
Now Move Cause If You Stop We Can

Ooi! Ooi! Ooi! Ooi!

Boy, You Obey You're Spoiled from Day One  
Your Voice Is Annoying Your Boys They All same  
Your Songs They All Lame If You Stop We Can Play
